Isn't it a beautiful day?

I don't know...

I don't feel like I've done my job.

Er... Well...

Since I heard about Ooshibu and the Chancellor's past yesterday...

CHE WAS ASKED TO HELP FILL THE WINED

You still don't know about love at all?

SIMPLY PUT, SOMETHING LIKE THAT?

So, you two... Liked each other a lot...?

YOU'RE A 14-YEAR-OLD AFTER ALL

I mean ...

I don't know much about adult relationships, but I'm starting to see that Ooshibu isn't just "evil"...

I don't know...

losing my target.

...

I'm...

Let's face it.

Am I some kind of hero?

Will I beat Ooshibu one day?

HE'S STARING AT THE STATUE

THE HELL?

...To fight a man who loves and helps out others.

I can't use all my power...

It's not up to me to judge...

He has it's good and bad sides.

This Daikoku Protection Academy, by itself.

He promised the Chance-llor that he would change this school...

Sanda! What're you doing?

I was admiring this pre-cious status

Let's play some winter games today!

What's up?

Speaking of which...

I wonder if that blonde guy is coming to see me.

Hey!

What -ever...

I did my best, didn't I?

Yeah, yeah

I get an after-school date with Tonakai!

Okay! I won today!

It's impossible for a person who has been captivated by me to not come back to see me a second time.

I see.

I see.

...I'm anxious every night, I...

I see.

Hmm.

It's because I'm thing -ing about you, okay?

It's not because of that little bandit from yes -terday, okay?

I WANT YOU TO EAT THEM.

HEY... I RENTED THE GALLERY AND BACKED SOME COOKIES!

I see.

For some reason, there are words that feel good to say out loud.

...

I try to reply with those words every time I get irritated about someone.

You're looking good today!

I see.

Look, the wound is gone now!

I see.

I think I lost some weight!

I see.

I see.

What a beaut -iful day!

If I keep doing this...

They're either going to be pissed,

Or become one of my followers.

I know it's a terrible idea, but...

This face is the only reason I'm keep -ing this up, the only way to sift out who I'm playing with.

Oh, Tonakai

You're always so self-centered... C'mon!

Tonakai~! We've been looking for you everywhere!

Now you're driving the boys crazy too.

!?

I finally found you...

I knew you were looking for me.

I thought you weren't coming any -more... Sanda, right?

Tonakai...

Yeah, what is it?

I'm sorry!

The other day... Y'know, I was really insistent.

I was wrong... And now I'm step -ing down.

GETS UP

You're not meant to be my destiny.

I've been waiting for this moment

Yeah!

Tonakai has been dumped!

None of those words are familiar to me.

BUMP

What's going on? It's like a foreign language.

Sorry for the inconvenience... but I'm a descendant of Santa Claus.

No, I mean... y'know, Santa and his reindeer don't necessarily have to be together.

I was told that I have to wash the wound with reindeer blood to heal it.

If you were a reindeer descendant, I would have wanted you to heal this wound.

...Tonakai

I think it's time for me to grow up... Or maybe I've peeled myself off from you a little bit

But I reminded myself that everyone has their own life... And I shouldn't be so selfish as to drag people into it.

Oh? No...

Am I talking too much about myself?

So I guess this is goodbye.

I won't pester you anymore.

I want you to go your own way.

"The Tonakai family... have been needed by Santa Claus for generations."

I...

SNORT...

I see...?

"Although they broke up a long time ago."

"Son."

...Well, sometimes you gotta do what you gotta do.

"Forget about Santa Claus."

!?

I hate trying to explain things to my mom in English, I had to try to figure out if my mom's car had gears or had one big-ass belt. I asked her "Hey, does the needle on the RPM go down a little, or does it stay constant?" She replied with "Tell him I just need the radiator" LIKE ANSWER THE QUESTION PLZ.
